

PROCEEDINGS OF O'BRIEN COUNTY SUPERVISORS

February 1, 2023

The Board of Supervisors has a request for an open session meeting to hear a presentation from Navigator regarding the technical side of their carbon dioxide sequestering project. Nancy McDowell and John Steensma were the only Board Members able to be present. A minimum of three Board Members are required for a quorum so this was not an official meeting and became an informal informational meeting.

Barbara Rohwer
County Auditor
